Central Ventilation device LWZ 70 E

Lüftung > Lüftungsgeräte mit WRG > Basisbaureihe

| | |
|------------------|--------------------|
| Categorie | Ventilation |
| Position | 1 |
| ID | 233851 |
| Quantity | 4 |

Compact devices for ventilating apartments and detached houses; heat recovery from the extract air via the cross counterflow heat exchanger; easily replaceable filter (G 3) for filtering the outside and the extract air; air duct connections at the top of the device; three optional air flow rates. Freestanding or wall mounted installation; casing made from zinc-plated and powder-coated sheet steel.

Remote control FEZ

Lüftung > Lüftungsgeräte mit WRG > Zubehör

| Quantity | 1 |

The FEZ is a remote control with day time switch and operating mode switch for controlling the fan stages of compatible ventilation units. A selector switch enables changeover between party mode, day mode, night mode, standby and automatic mode. In automatic mode, changeover between day and night mode is effected by the day time switch. Control indicator for "party" and "filter change", a time-dependent filter change indication and integrated power reserve.

Instantaneous water heater DHC 8

Warmwasser

**Categorie****Hot water****Position****3**

ID

73481

Quantity

4

Sealed unvented (pressure-tested), hydraulically controlled instantaneous water heater for supplying several draw-off points in close proximity to each other. Tubular heater element inside a pressure-tested copper cylinder. Also functions with low water pressure.

Wall mounted convector CNS 50 U
