

## How do I become a STIEBEL ELTRON PARTNER?

1.

Complete, sign and return the membership agreement.

2.

Install at least two heat pumps and return commissioning certificates between January 1st 2018 of the current year and 31st December 2018.

3.

Your installations will be counted when the documents are validated by our team.

4.

Become a Bronze, Silver or Gold partner and enjoy the benefits.

STIEBEL ELTRON  
Manufacturing heat pumps since 1976.
