

BHE 175 T Plus

BATHROOM RADIATOR

PRODUCT-NO.: 238715

Bathroom radiators: Added value with added enjoyment.

The bathroom radiators of the BHE Plus series combine functionality with design. The electrical connection offers the advantage that even when your central heating system is off (for example in summer), both room and towels can be pleasantly warmed when necessary. The integral rapid heater allows the BHE T Plus to deliver heat even faster – all year round.

The user friendly position of the programming unit enables easy access for temperature control. The comfort functions of the integral controller highlight the efficiency and high quality features of the bathroom radiator.

The main features

Electric bathroom radiator

1,750 W heating output

May also be connected to the hot water heating network

Factory-filled with process medium for purely electrical operation

Quick room air heating

Premium design with circular pipes

Controls with backlit LCD

With infinitely variable temperature selection

Protection: IP 24
