

SBB 302 WP (GB) Set

SOLAR CYLINDER

PRODUCT-NO.: 228945

Choose an efficient partner for your heat pump

If you value high hot water convenience and a good level of efficiency, these cylinder solutions are for you. These appliances work together with a heat pump to supply hot water in family homes.

Making effective use of the sun

And that's not all these appliances can do. One of our cylinder models is equipped with a special smooth tube indirect coil. This allows you to make full and efficient use of the heat yield from your solar thermal system.

The main features

Designed for different heat pumps

Special version can be combined with a solar thermal system

For DHW heating in family homes

SBB 401 WP SOL (GB) Set

Product-No.: 228946
